Dear Parents,

It is with some sadness that I have to inform you I have accepted Mrs Jackson's resignation. She is planning to retire and leave Kingswood at the end of the Summer Term.

Mrs Jackson came to Kingswood as a 'caretaker' Headteacher in 2010, and was confirmed in the role a year later. Since then she has worked tirelessly to update and develop an old and quite difficult building; build a dedicated and hard-working team and move from a 'Satisfactory' to an 'Outstanding' OFSTED rating. More importantly, she has built a vibrant learning community, where everyone is valued and challenged and there is a firm determination to do the best for each and every child entrusted into her care.

In addition to dedicating 10 years to Kingswood, Mrs. Jackson has ensured that the voice of the Early Years sector has been heard both locally and nationally and we know that her bold and honest input has been valued.

The Governors have already started the process of looking for a new Headteacher. We are very determined that the person appointed will continue to promote the very special Kingswood ethos and have a huge passion for Early Years education.

I do not believe anyone could have worked harder, or with more determination to give the best possible start to our children and I would like to thank Mrs Jackson for everything she has done for Kingswood.

With best wishes,

*Melanie Harvey*
