

Kingswood Nursery Newsletter

September 2019

We would like to say a huge welcome to all of the new families who have started with us this term and a big hello to those we have welcomed back after the summer break. There has been lots of excitement as the children become familiar with their new environment and build friendships with both children and staff.

Learn

The children have had great fun exploring and investigating all the different areas, resources and of course the large out door areas! They have shown particular interest in discovering the malleable resources such as water, sand and dough!

Friendships

Discover

Investigate

Engage

Reading books

Nursery children are given the opportunity to select books from Nursery to take home to share with their family. They are encouraged to take one and then able to swap for another on return.

Book bags

Now the children are becoming familiar, could we please ask that on arrival if your child could bring their book bag down to their Key Person group and pop it in the box. This supports the children with their independence.
