Bolivia, El Alto school for children

Kingswood Nursery School have great pleasure in sponsoring this school.

In October 2019 we raised £333.45 to help the children of 'El Alto'.

Thank you to everyone who contributed to our cake sale!

Bolivia is in South America

Our school is in El Alto which is very high up
– people use cable cars to travel.

Life is very difficult as there are very many people living in El Alto and most of them are very poor.

The El Alto school helps the children learn,
have fun and make friends!

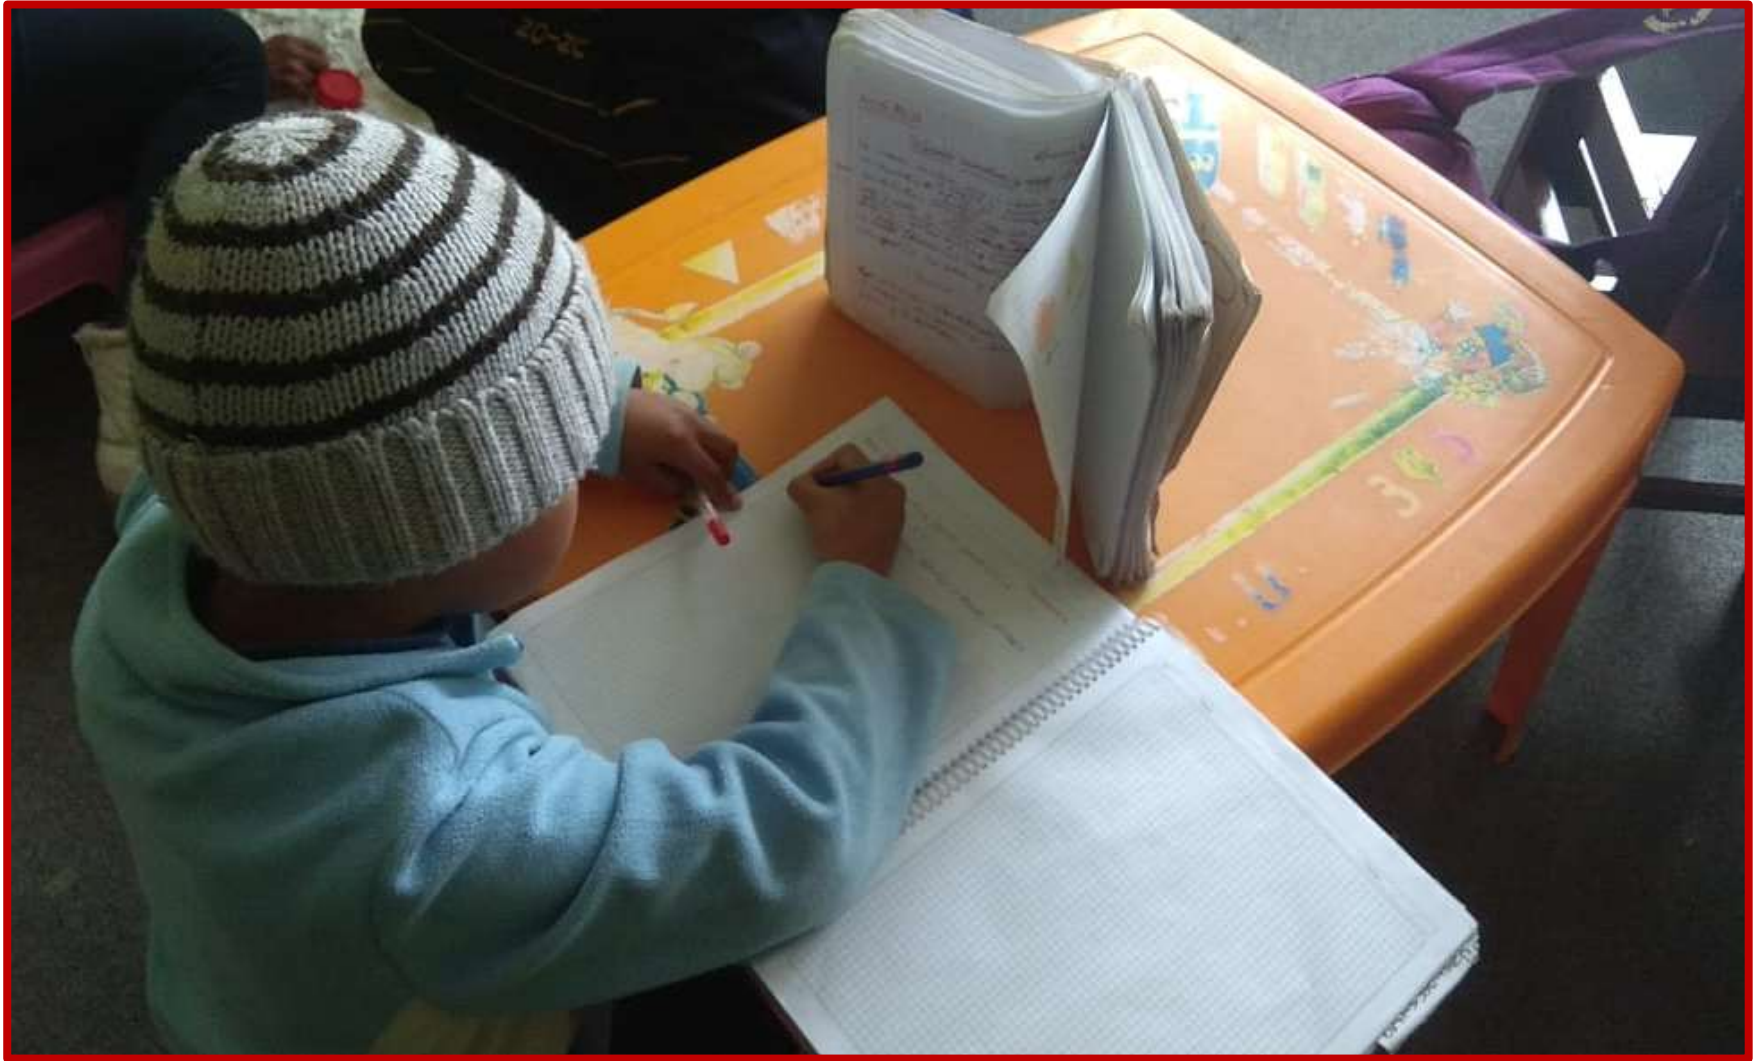

They learn through playing...

... looking at books

... writing

... growing plants

... being 'A great artist'

... making and decorating

... making windmills

They enjoy painting...

They learn to write and colour ...

Using many different colours ...

We also help their mummies learn to sew and make nice clothes

We teach the children and the mummies that they are important to God.

Thank you for making a difference to children in El Alto!
