

'Right from the Beginning – Ways to Engage Children as Learners' Workshop for parents

Dear Parents and Carers,

We would like to invite you to an information session about ways you can support your child's emotional well-being in order to become an effective learner. Holding this session at the beginning of the year will support you in giving your child the very best grounding as they begin their year at Kingswood. The aim is that you will go away from the session feeling very proud of all that you do already, but also with lots of simple ideas to try at home. ***Please note this is a repeat of the session we ran last September.***

During the session we will look at the following:

1. How does emotional well-being link to learning?
2. How can you support your child to develop a love of learning?
3. In what ways can you support your child at home?
4. How can you work in partnership with school to enable your child to reach their potential?

The information session will take place on Wednesday 3rd October at 10.30am, 12.30 and 6pm in the staffroom. Places are limited to 10 parents per session. The meeting should last approximately 45 minutes.

Please complete the tear of slip and return to school by Friday 28th September.

Yours sincerely,

Bernice Jackson
Headteacher
