

**NEWSLETTER 7 – Tuesday 17<sup>th</sup> July 2018**

Our final family event of the year will be the 'Family Picnic' on  
**Wednesday 18<sup>th</sup> July 11.15-12.45.**

We look forward to seeing you then!

Please bring a picnic rug and your picnic, the ground is very dusty at the moment.

We do ask you not to share your food with other children due to allergies.

Leave your mobile phone at home as you know they cannot be used on the school site!

**We will have a RAFFLE!**

*The tickets will be £1 each so bring some money.*

**We will have a cake sale – so please bring some money!**

The ice cream van will be parked outside school – *so bring a £1 for a cornet!*  
Remember to be extra vigilant around the school gate.

And remember this will be an opportunity to say 'cheerio' to Helen and Elaine who are leaving us and starting their retirement at the end of term.

**Thursday 19<sup>th</sup> July – Bouncy castles cancelled.**

We have had to cancel the bouncy castles, so instead, weather permitting, we are going to have a water day! We will have sprinklers, paddling pool and a water slide for the children to play in, so **PLEASE SEND your child in VERY OLD CLOTHES and bring a bag of spare clothes**. Because the ground is so dusty the children are likely to get very grubby. Please put a named bag of clothes on your child's peg.

**End of term party – Friday 20<sup>th</sup> July**

**If you have not sent in your £5 donation yet please do so TODAY**

**We must get our end of term banking finished!**

**It is very disappointing that there are outstanding invoices that should have been paid in the first week of July.**

*When we have the party on the last day of term ALL of the children will be present so please **do not try and park outside of school as it will be very busy.***

It is always extremely difficult to write the final message of the year. You have been a great bunch of parents and attendance at workshops and open sessions has been at an all time high.

**Every parent and carer who supports Kingswood helps us to be the 'outstanding' setting that we strive to be each and every day.**

For those children who are moving on to their next school we wish them lots of love and best wishes. We know that they are ready for this next stage in their education and we look forward to hearing about the progress they make.

### **Ofsted Parent View**

We have had 51 parents take part – we are sure you can beat the 2014-2015 parents who got to 57! So if you haven't had a chance to complete this yet please take the time by following this link – it only takes a few minutes!

Put 'Kingswood Nursery School' into the search.

### **Letters to the Education Minister!**

**We need your help! Every maintained nursery school across the country is going to ask the parents and carers one simple question and then present your comments to the government. If we can gather lots of positive responses, then this will be very powerful in helping our fight for survival.**

**Please use the sheet to tell us 'How has Kingswood nursery school helped your child and family'?**

We have had 12 letters so far – all of them extremely powerful in saying how Kingswood has helped your child and family. Thank you to everyone who has taken part so far. *Has your child been supported with language development, special needs, developing skills, making friends?*

**We could do with a few more letters to present!** If you have lost your paper copy please ask us for another copy, see me campaigning at the gate!

**Everyone who enters will be entered into a grand draw to win a bag of goodies! Who could resist?!**
