

NEWSLETTER 3 – Monday 14th May 2018

Thank you to everyone who came to the 'Enjoy a Bedtime Story' session on Thursday 10th May! The children looked great in their pyjamas and a lovely time was had by all!

We loved the curlers Gosia!
Thank you to all the staff who gave up their time to make this event a success!

We have 2 new cocoons in the garden which have given somewhere for the children to be reflective or somewhere to have a giggle!

These were purchased with a private donation, for which we were very grateful.

Accidents account for three deaths every week and over 2,000 hospital admissions. **Many of these accidents can be prevented.** Child Safety Week aims to help families make the unknown known and to understand the risks, as well as the consequences – but most importantly, the simple ways that accidents can be prevented. [Please follow the link on our website to help keep your child safe.](#) This can be found under 'Parents' and then 'Health'.

By changing one habit you could save a child's life!

'Making Maths Real' workshops scheduled for Tuesday 15th June have been postponed.

Instead these will take place after the 'Maths and Science open sessions for parents and carers' on Thursday 24th May 8.30-10am and 12.30-2pm.

Please come and join us for open sessions where you can play and learn alongside your child and then at 10am and 2pm pop into the staff room for a 20 minute presentation about ways in which you can support your child's maths learning at home!
