

What is One World Week?

One World Week is an opportunity for people to come together to build a just, peaceful and sustainable world. At Kingswood we believe that by supporting children to discover more about the cultures, religions and people that make up our world we are encouraging them to develop curiosity and respect for all of humankind.

One World Week has got off to a great start at Kingswood! The children have already been discovering buildings from around the world and creating their own versions, learning about Diwali and traditional costumes that are worn to celebrate this special festival, using dough to create breads from around the world and finding out about flags from different countries.

Open Sessions

You are all invited to join us for our 'One World Week' open sessions on **Thursday 19th October 8.30am-10am and 12.30pm-2pm**. This is a great opportunity for you to come and take part in activities from around the world with your child. We look forward to seeing lots of you there!

Share with us...

We love to share the diversity of our school with the children and would be thrilled if any parent or carer could come into school and tell us about customs and festivals that they follow at home. If you can help then please speak to a member of staff!

Author Visit

Author Sue Hampton will be visiting us during the open sessions with her picture book 'I am me' - a fundraiser for the charity 'People not Borders' who support refugees: There will be an opportunity to buy the book on the day (£10, all profits to the charity) which explores the experiences of a child refugee leaving home and arriving in the UK.
