

Nursery Newsletter

21st April 2017

A huge welcome back to all our children and families at Kingswood, we hope you all had a well-deserved fun filled break and are ready for another busy exciting term! It is lovely to see all the children have settled amazingly and are confident in returning back, sharing their experiences with their friends and showing enthusiasm in their learning.

We have been so lucky to have the sunshine beaming down on us, therefore we have been out playing and exploring the large grassed garden releasing bursts of energy and showing high levels of engagement and fascination. The children have been building some fantastic friendships!!

Following on from watching our ducklings hatch and grow just before Easter, we will be learning and extending knowledge on growing and life cycles. We have already observed our frogspawn hatch into tadpoles and are watching with interest the next stage of their development. We are very close to having another special delivery!!! 🐥🐸

A huge well done to all the children who have returned with their very own creative story. We have loved you sharing these with us. Excellent Learning!! 🌟👍
