

Nursery Newsletter

Friday 15th December 2017

We have experienced a change in weather, the children have thoroughly enjoyed playing outside over the last couple of weeks, noticing changes and describing and investigating what they are observing.

The children all take part in story telling activities, known as Tales Toolkit. They have been displaying their flourishing imaginative and creative skills, linking their ideas together to form fun filled adventurous stories! This has been very beneficial to the children as many of them are learning and becoming aware of the structure of stories.

"Superman is super STRONG!"

"Five little robots in a racing rocket...zoomed through the sky one day"

Merry Christmas

Christmas Home Learning

As Christmas is about 'giving' we would like you to encourage your child to record a time over Christmas that the children are 'giving'. This could be giving a gift, your time, your help etc. Please use the attached sheet if you would like too.

WELL DONE TO EVERY SINGLE ONE OF THE CHILDREN FOR TAKING PART IN OUR NURSERY CHRISTMAS PERFORMANCE!!

'Giving'

Moment from Home
