

Superhero Play

At Nursery many of the children are fascinated by superheroes with amazing powers. The children are developing their knowledge and understanding of taking control and exploring their imaginative skills. Naturally, superhero play can become a little uncontrolled at times, but this is all part of the learning process. Therefore the children are currently learning and identifying the **SUPER** in superheroes to encourage enjoyable play to enable each child to feel involved and appreciated.

Super Teamwork

Why superheroes?

Since children use play to experience and figure out the world around them, lets refresh on some reasons children naturally engage in superhero or war play. Generally, it is because they are fascinated by the powers the superhero or main character possess. By pretending to have these superpowers, it can make children feel brave, powerful, like they have no weaknesses, in control of their world.

Super Problem Solving

Play is a way children process what they see in real life, it is an outlet for expressing feelings and helps children develop and practice language skills, social skills, gross motor and thinking skills. Play supports building children's imagination and creativity which in turn allows them to build their thinking skills.

Why not try a SUPER HOME LEARNING CHALLENGE?

Find out what special powers the people in your family would like to have if they were superheroes.

- Talk about and show skills that you may have.
- Creatively think about costumes or accessories that will support your superhero role.
