

WELCOME BACK

Nursery Newsletter 19th January 2018

A huge welcome to all our new starters this month and to all our existing children and families. We hope you all had a well-deserved Christmas break and we are delighted to be back. All the children have settled amazingly and have been very engaged and motivated throughout the sessions, exploring in depth their interests and continuing to build friendships, learning lots every day!

E-Safety

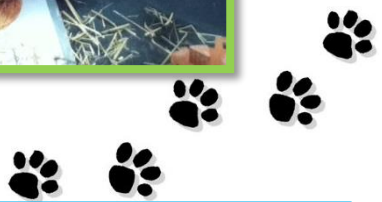

We have all developed an **inspiration** for traditional tales which everyone has enjoyed **listening** and **learning** about. The children's **interests** have widened, **developing** a strong clear **understanding** of various tales covering all areas of learning. **Literacy skills** are rapidly rising as children begin to **understand** the structures of stories and become involved in their own fantasy story telling.

Since returning back after Christmas, we have been recapping and embedding e-safety, offering discussions and advice about any new electronic devices we may have received or been using recently. We support this by gaining an understanding that if something we don't like or are not sure about on electronic devices then we must: **Always tell an adult!!** Please continue this at home to keep our children safe!

- Traditional Tales**
- ✚ The Three Little Pigs
 - ✚ Gingerbread Man
 - ✚ Little Red Riding Hood
 - ✚ Jack and The Beanstalk
 - ✚ Goldilocks and the Three Bears
 - ✚ The Magic Porridge Pot

Home Learning
We have been focusing lots upon height and weight and learning new language by showing the children how this relates to their real lives. We would love this to be continued at home by participating in simple activities such as ordering. Whether this be measuring your family and friends, shoes, socks etc. Maybe you could find something else to order? Don't forget to tell us about your home learning on the attached moment from home.
