

'One World Week' at Kingswood Nursery

16th - 20th October 2017

This week we have been celebrating 'One World Week' which has been very busy but the children have thoroughly enjoyed learning and finding out lots about traditions, cultures and countries from around the world. We have also had the opportunity to be involved in new trips and experiences.

The children have been listening and watching clips and stories, learning about different celebrations that occur around the world.

We even got to see one of our friends in her beautiful traditional Sari!

ADRA Shoe Box Walk

Many of us have been collecting and packing items for our shoe boxes which are now being prepared to send to Ghana in West Africa for the less fortunate boys and girls at Christmas time! Thank you for all your generosity and support by walking with us, this makes a huge difference.

Drumming Workshops

The children have had an amazing session of learning how to play and use the drums with Martin. We also learnt how the drums were made and played them to different rhythms.
