

Kingswood's Outdoor Learning Day

Thursday 18th May 2017

Kingswood Nursery celebrated 'Outdoor Learning' today by spending the entire day outside. What an amazing pleasurable day that all the children and staff thoroughly enjoyed!! The children were highly engaged, happy and motivated during play and activities enabling a positive learning environment. It was fantastic to see the development and progress that each child has uniquely developed, showing the love and joy for outdoors!!

Creative

Motivated

Friendships

Some activities that inspired the children were:

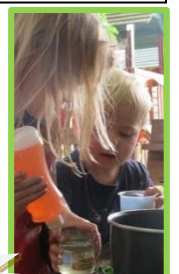

- Creating and experimenting with liquids and natural resources to create their own lotions, potions, perfumes and foods.
- Digging and exploring the world beneath us.
- Planning and building their own structures with REAL bricks.
- Enjoying the sensory feel.
- Developing the fine motor in many

Inspiration

Engaged

Learning

Creativity is inventing, experimenting, growing, taking risks, breaking rules, making mistakes and having fun!
