

Another wonderful year has come to an end and we have been delighted with the positive feedback we have received from parents and carers.

Thank you to everyone for taking the time to do this. We appreciate every one of your messages. We wish all of the children who are venturing to their next settings our best wishes.

*We will miss you all!*

*We would like to thank you for the wonderful learning environment that you have provided for our son Henry over the past two years. He really has enjoyed his time at Kingswood so much and he's developed at an amazing pace with the support of your wonderful teachers. A special thanks to Charlotte and Elaine whom Henry loves! What a wonderful school Kingswood is - we are sad to leave but look forward to Albert joining you next year!!*

*THANK YOU, Henry, Victoria, James and Becky.*

**Dear All the Nursery Ladies,  
Just wanted to say thank you for making James' time at Kingswood so wonderful. Where has the time gone, still can't believe he is starting school in September. He has developed so much since starting and it's thanks to you all. Love Steven and Sarah**

We are so pleased with Kian's report and the lovely comments made by all the staff. We know that Kian has made such great progress due to the nurturing environment and dedication of all the staff at Kingswood Nursery. We are very happy that he has begun his school life at such a fantastic place!

Thank you all!

Thank you so much for such a lovely report. Connor has come on so well in confidence and in his learning. He amazes me most days with the things he has learnt. Natalie, you have been amazing with him and he is going to miss you.

To all the staff at Kingswood Nursery and Pre-School - past and present - Thank you so much for looking after our 3 children over the last 10 years! - You have all been truly amazing. We will miss you all.

Lots of love, Tracy, Stuart, Kira, Lexi and Connor.

**I could not be happier with my choice of nursery for Josh, all the staff have been amazing and Josh really enjoyed coming to nursery. The support and help that Josh has received has been brilliant and the communication I was regularly receiving has also been equally as brilliant. I would like to thank all the staff. I will miss the team almost as much as Josh will! Again, thank you.**

We were both so delighted with Zak's report and lovely comments. The extra sessions with Elaine and lots of encouragement helped him find his voice, which is absolutely brilliant. We would like to say a big thank you to Natalie and the rest of the nursery team for all your help and support over the last year. Zak has really had fun!

It is great to read how well Dexter has got on at nursery. He has loved coming every day and he will miss everyone when he moves to the Infants.

I have thoroughly enjoyed reading Logan's leaving report and am so proud of the independent, intelligent little boy he is today. He has come on in leaps and bounds at nursery and I cannot thank Kayleigh enough for her continued hard work to help Logan achieve this. We will both miss the nursery very much, but feel he has been taught the skills ready to move up the Infant School.

*A huge thank you to all the staff at Kingswood, you have all made a lasting impression on George and myself. You are all very clearly passionate about your roles within nursery and of course the children and their happiness and education. I'm so proud of my son and all his achievements, you have kept me so well informed! We will miss you all very much and wish you all the best with the nursery.*

*To Mrs Jackson,*

*Thank you for everything you do  
and for running such a great  
nursery. Very sad to be leaving  
now. You've been great and we  
appreciate all your support.*

*Love Frankie and mum xx*

*Dear Mrs Jackson,*

*Just a note to say a big thank you for being so welcoming when we started Kingswood back in January! If you remember I called Sam in September and didn't have a nursery place for Zac and being pregnant, hormonal and generally flustered had a panic!! Sam calmed me down and found a space for Zac after speaking with you to start in the January! Thank you so much for helping us settle down nicely and into Kingswood! We've had a great time – especially Zac who has loved all the play times and his great chats with Clare! Your team are a credit to you. We wish you all a fantastic and well deserved break and I look forward to still hearing from you all and the adventures the next children have with the KRA newsletters! Hopefully you will still see us and that Madison will come to Kingswood in time!*

*With all our love and appreciation,*

*Anthony, Jo, Zac and Madison xxx*

*We are very pleased with the progress that Siobhan has made. She has grown in confidence and is eager to learn and that all comes down to Kayleigh and the team at the nursery. We have felt confident with all the staff with handing over our little girl to the staff who we know, loved and nurtured her just as we hoped. We cannot thank you enough for all your hard work and support in Siobhan's development and learning.*

*Siobhan will be sad to leave but she has been well prepared for school.*

*Thank you to you all!!*

We are both extremely pleased and proud of Sienna's report. We are so thrilled to hear she has become more confident and is polite when she is at nursery.

We know she will miss Nursery and Kayleigh and all the lovely teachers, but she will also thrive in reception with her strong friendship group she has developed at Kingswood Nursery.

Thank you for all your support and giving Sienna cuddles!

To Bernie and all the staff - every one

Very, very many thanks for all that you have done and continue to do to make KEYC a unique place.

It is not easy to do and not easy to maintain, especially in changing times and would not be possible without all the contributions you make. Enjoy the summer, The Governors.

Thank you so much for all you have done for Mason for the last year. He's really enjoyed his time at the nursery.

Samantha and Mark

To all the staff at Kingswood

Thank you for all you've done for Janek, he has come along in so many ways and is a happy, confident little boy who loves talking about all the exciting things he has done at Nursery. All the best for the future, Angela and Ian
