

Pre-School Newsletter

December 2016

Learning from home.

To keep ourselves healthy we wash our hands before we eat, after we use the toilet and when we sneeze or cough.

We cover our wet our hands with soap, rub them together, between our fingers, front, back and under our nails. If we sing this song twice when washing our hands they should be really clean.

(To the tune of row, row, row, your boat)

Wash, wash, wash your hands,
Wash those germs away.
Soap and water does the trick,
To keep them clean all day.

Gentle Reminder

Could you please ensure that you child's belongings are labelled with their name.

If your child has borrowed any clothing from Preschool could you please return the cleaned items as soon as possible.

In Preschool we have been learning about numbers, counting 1 – 10 and matching the correct numeral to the quantity.

To support your children's learning maybe you could go on a number hunt, spotting numbers as you are out and about in the holidays, on front doors, road signs, car registrations, counting how many people are in the queue as you pay for shopping.

Wishing all parents, carers and children a Merry Christmas and a Happy New Year. See you back at Preschool on Thursday 5th January 2017.

Moments from home

Thank you for contributing to your child's Learning Journey.
