

Pre-School Newsletter

January 2017

Welcome back. We hope you all had a lovely Christmas and we wish you all a Happy New Year.

Gentle Reminder

Could you please ensure that your child's belongings are labelled with their name.

If your child has borrowed any clothing from Preschool could you please return the cleaned items as soon as possible as our stocks are running very low.

This term we have welcomed some new children. We look forward to getting to know the children and their families. If you have any questions please do not hesitate to speak to the Preschool staff.

Learning in Preschool

In Preschool we have been reading about Goldilocks and the three bears .We have been learning the language of size and providing opportunities for the children to use their knowledge in the role play area using bears, bowls, spoons and chairs of different sizes enabling the children to recall and retell the story.

Learning from Home

- To enable us to learn to write our bodies must be prepared. To do this we must develop the muscles starting from our shoulders, to our elbows and all the way to our fingertips. To develop your children's shoulder muscles at home you could:
Crawl on all fours: forward, backward, sideways or change direction on command.
- Crawl through an obstacle course, strengthen the arms on the playground: swing on monkey bars, trapeze bar, ladders, climb up the slide.
- Push and pull each other whilst singing 'Row, row , row your boat'.
- Draw large shapes and pictures on chalk boards, white boards or on the ground.

Please use this 'Moment from Home' to let us know how you are getting on developing your child's physical skills.

Moments from home

Thank you for sharing your moment from home with us.
