World Book Day

Many thanks to everyone who dressed up for World Book Day. There were some fantastic costumes. Many thanks also to the parents, grandparents & carers who came in to share a book with the children.

The children have had a wonderful time getting to know the six ducklings that were hatched at school. The children have talked about how soft they feel and how noisy they are!

Here is Alex having a cuddle!

Learning in Preschool

In Preschool we have been reading about The Three Billy Goats Gruff, The Three Little Pigs and Little Red Riding Hood continuing our theme of learning traditional tales. We have been learning the language of size and number, the use of different building materials and providing opportunities for the children to recall and retell the stories through role play using small world resources.

Learning from Home

At Preschool we are focusing on teaching the children to tidy up. When they have finished playing with a resource they are encouraged and reminded to tidy up before moving on in their play. Just before story time we have a big tidy up, a five minute warning is given to signify play is coming to an end , a tambourine is then shaken to signify tidy up time which everyone participates in. It would be lovely if the children's tidy up skills were reinforced at home through the singing of a song whilst they tidy up.

Tidy, tidy, tidy up

And tidy up some more

Tidy, tidy, tidy up

Take your toys up off the floor.

To the tune of Row, row, row your boat.
