

Pre-School Newsletter

October 2016

Another year starts, welcome to all our new parents & children and welcome back to those returning.

In Preschool we enjoyed making cakes for the Macmillan Coffee morning.

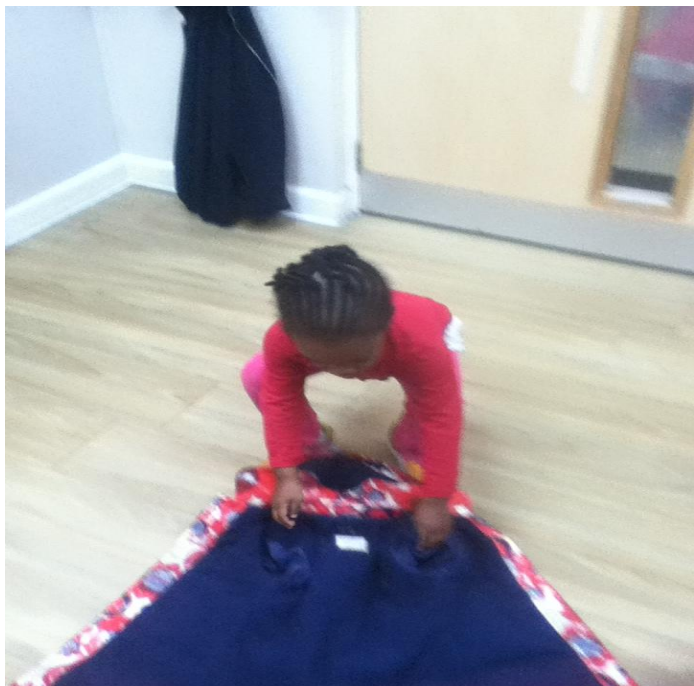

We raised £181.70, thank you for your contributions.

Learning to put my coat on independently.

As Winter is approaching in Preschool we are learning to put our coats on independently and we would like your support in continuing the learning at home.

1. Stand by your hood.

3. Put your hands in your sleeves.

2. Flip your coat over your head.

4. And magic! Your coat is on.

All about me.

In Preschool we like to create an “All about me” book for each child featuring photographs of family, friends, relatives and people who are important to them. We have already created some books for children who have been with us last term and would like to do the same for all the children. Could you please either email pictures or bring them to preschool naming all those in the photographs.

Gentle Reminder

As the children are of a similar size could you please ensure that all their belongings are labelled with their name. It helps us to send children home with the correct belongings.

Moments from home.

We love you to share your experiences at home with us. You can pick up “Moments from home” from the folder in the preschool cloakroom.
