'The Reading Journey' - an information session for parents and carers

Dear Parents and Carers,

We would like to invite you to an information session about ways you can support your child in becoming a reader. The aim is that you will go away from the session feeling very proud of all that you do already, but also with lots of simple ideas to try at home to ensure that your child gets off to a flying start with their reading!

Can you answer the following questions?

1. Why does my child like to hear the same book over and over again?
2. How can banging a saucepan help my child become a reader?
3. Why are Nursery Rhymes and songs so important for my child?
4. What is the difference between blending and segmenting words?
5. Isn't it better to leave reading to schools - won't I do more harm than good?
6. How can reading a book to my child help with maths, feelings, understanding of the world and so much more?!
7. **What can I do with the items in the goody bag you have given me to help my child?**

The information session will take place on Wednesday 8th November at 10.30am, 12.30pm and 6pm in the staffroom. Places are restricted to 10 parents per session and will only run if we have a minimum of 4 parents per session. The meeting should last approximately 45 minutes.

Please complete the tear of slip and return to school by Friday 3rd November.

Yours sincerely,

Bernice Jackson

Headteacher
