

4

Be  
Creative

Our children will leave being able to:

- Solve problems in different ways.
- Relish participating in stories, music, songs and rhymes.
- Manipulate resources to achieve a desired outcome in 2D or 3D.

We will:

- Take great delight in reading to and singing with the children.
- Read, read and read some more!
- Teach children to use tools effectively, such as scissors.
- Teach children how to manipulate media effectively such as paint, pastels, collage.
- Introduce children to a range of artists, musicians, songs and authors so they can identify their favourites.
- Model using loose parts creatively.
- Teach children to recognise and recreate patterns.
- Facilitate problem solving opportunities.

5

Be  
Confident

Our children will leave being able to:

- Navigate our outdoor environment independently.
- Make meaningful marks and write their name
- Recognise, count and combine groups of up to 5 objects
- Make mistakes and learn from these

We will:

- Teach the children to use the equipment and space outside, safely.
- Be playful with rhymes and alliteration.
- Point out meaningful print including children's names, within the environment.
- Provide a range of markmaking opportunities.
- Continue to develop our teaching of maths.
- Model making mistakes, and encourage children to try again.

5 Ways  
to Wow!

Our 5 Ways to Wow curriculum encourages the children at Kingswood to aim high, enabling them to be confident and capable learners in the next phase of their education, and conscientious citizens of the future.

1

Converse

Our children will leave being able to:

- Communicate with passion about their interests.
- Use an extensive vocabulary to add interest and detail to their explanations and observations.

**We will:**

- Use our knowledge from ICAN training in our daily routine.
- Have conversations with the children throughout the day.
- Model words and introduce new and interesting vocabulary.
- Ask and answer, 'How' 'What' and 'Why' questions.
- Talk about favourites: places, people, characters, food, clothes etc

2

Care

Our children will leave being able to:

- Use social pleasantries when interacting with peers, and familiar adults.
- Provide basic care for plants and animals
- Independently support their own fundamental health needs.
- Embrace difference, and resolve conflict

**We will:**

- Encourage children to put on their own coats, use the toilet and develop their independence.
- Teach children to be calm and gentle when handling plants and animals.
- Talk to children about difference positively
- Celebrate a range of events throughout the year.
- Support children to understand and follow boundaries.

3

Be Curious?

Our children will leave being able to:

- Take delight in experiencing new phenomena.
- Explain and investigate their own fascinations.

**We will:**

- Introduce children to a range of new, exciting and motivating experiences.
- Seek to find out children's individual interests, and provide access to these.
- Use literature, including reference books, to support children to find out more.
- Pose questions, and work collaboratively with children, to develop greater knowledge and understanding about existing and new interests.
- Remind children, and their peers, of facts they have taught you, and vice versa, throughout their time at Kingswood.
