

## What a busy month!

So much has been happening in school during June! We have welcomed our new families to play in our provision, teachers from schools where children are heading to in September and visitors to observe our provision and support parents.

We had a visit from a representative of Herts for Learning (our local authority) who visited this week, and observed your children immersed in learning through the medium of mud, taking risks, and looking after themselves and one another. She was impressed stating **'It's been a pleasure to observe joy in learning in the Early Years!'**. This shows that at Kingswood we are always striving to do our very best for your children, and that nobody is complacent following our Ofsted inspection.

Our Healthy Eating Workshop was most interesting; I will share the varied packed lunch ideas! I hope the parents who attended have been enjoying the contents of their goody bags.

Thank you to all the parents who completed the survey-your feedback has been most welcome.

*Mrs Macdonald*

## SUMMER DATES AND EVENTS

for Pre School Children

### Friday 21st July

10-12  
Last Day of Nursery  
Celebration  
11:30-12  
Parents invited

# Hello... goodbye...

With the end of a school year comes some inevitable staff changes.

Michelle Long has made the decision to prioritise other areas in her life, and will be pursuing a role outside of Early Years, from September. She has been Pre School Leader at Kingswood for over 5 years, and children, families and staff have benefitted from her passion for Early Years, and nurturing demeanour. She has been a committed leader, and we will miss her greatly.

Sue Salter and Teresa Davies will be joining the team in September as Key Persons. They both have a wealth of knowledge and experience working with children under five and I am assured they will be an asset to our brilliant team here.

Serena will be moving from Pre School to become a Key Person in Nursery, and develop her skill set. We are delighted to be able to support her career aspirations in this way!

**Remember to apply suncream on your child before they come to school. We can provide you with a bottle to apply at the door, if you have forgotten.**

## Peekaboo Photos

The photos taken of the children by Peekaboo are truly wonderful—the team are talented and really have captured your children in a natural way.

A reminder that all orders must be placed by the end of the weekend.

**Closing Date for orders  
Midnight  
Sunday 2nd July**

## Look out for.... Your Child's One Page Profiles!

These will be sent out at the very end of term, to provide a view of your child's learning to date at Kingswood. I hope you enjoy this new method of sharing their achievements with you.
