

Kingswood Easter Bonnet Parade

Friday 22nd April

Holiday Challenge: Can you design and create some special headwear to celebrate Easter or Spring ?

It could be a cap, a headband or a hat!

Wear it to school on Friday 22nd April for our special Nursery parade. We will have a 'cracking' time!

Make learning fun:

Design your hat together.

Talk about what materials and objects you could use.

Can you repurpose anything at home?

Can you use recycled objects such as Easter Egg wrappers, egg boxes, cardboard packaging etc?

Will you use bright colours or natural tones?

Handle tools safely such as scissors and staplers.
