We are still collecting donations for our Raffle. If you are a business owner donations such as basket of beauty items, voucher for a meal, tickets to an event, or a bouquet would be very much appreciated. Equally if you have any links with businesses in the local community who could provide this, please get in touch with Sam or Tina in the office.

We will also require some parents who can help us set up the garden area during the afternoon of 14<sup>th</sup> July. If your child is in school that afternoon and you can spare some time, please contact us.

All funds raised will be used to improve our indoor and outdoor learning environment, and go towards purchasing 'tough' cameras for the children.

Any contribution will be very much appreciated-if you cannot spare a donation, please support us with your time and your attendance.

Many thanks,

Mrs Macdonald
