

## Special Visitors !

Yesterday we welcomed two inspectors from Ofsted into school for a one day inspection. They spent the day talking to children, staff, parents and Governors as well as observing much practice.

They got to see Kingswood as it always is when the sun is shining. Nothing that happened yesterday was different to the incredible care and inspired learning experiences the team provide on a daily basis; however their knowledge, commitment and energy really did stand out.

The messages of support and words of encouragement you gave the staff were greatly appreciated, as well as the time you took to complete the Ofsted questionnaire.

The final report will be published within 6-7 weeks and then we can share our outcome with you. We don't need external validation to know that Kingswood is amazing. Be proud of this school-I am.

*Mrs Macdonald*

Friday 2nd June**  
School Closed  
May Half Term

**Monday 5th & Tuesday 6th June**  
Peekaboo Photography in  
school

More details to follow.

# New Gates

You will have noticed the change in our entrance to school, as we had new gates fitted over the Easter holiday, which provide reassurance that our site is secure. There is now a buzzer and lock system to access our grounds. This has made our entrance slightly smaller, so please be considerate to others during our busy periods. You may have to wait for a minute to let another family leave, or enter, our premises.

**Press  
firmly  
here**

## To enter

Gate will be unlocked between:  
8:20 and 8:40  
11:20-11:40  
12:20-12:40  
15:10-15:40

During these times the gate can be pushed open to connect with the magnetic lock pad attached to the green post.

At the end of these times the lock will automatically switch off to release the gate to close.

When the gate is locked you will need to press the buzzer just below the camera, firmly, until it rings. This will call the office who will release the gate for you to push and enter.

## To leave

Gate will be unlocked between:  
8:20 and 8:40  
11:20-11:40  
12:20-12:40  
15:10-15:40

During these times the gate will remain open attached to the green post.

At the end of these times the lock will automatically switch off to release the gate to close.

Outside of these times you will need to press the green button up high, on the green post to the left of the gate, to release the gate to leave.

Please endeavour to be punctual in the morning and enter our premises whilst the gate is open, to avoid unnecessary calls to the office during what is a very busy time of day.
