

Incredible Staff

As today is Thank a Teacher day, I'd like to take the opportunity to highlight what a wonderful job the team here at Kingswood do on a daily basis. Your children are privileged to have such a group of knowledgeable and nurturing adults to inspire learning, and take care of all their needs.

A BIG
thank
you
❤️

At this time in the year they are working tirelessly to prepare your child for moving on, whilst getting organised for our new joiners, and preparing to implement changes in the Early years curriculum in September. To do this with such energy, during a global pandemic, deserves to be celebrated!

Mrs Macdonald

Time to get muddy!

Following the request for topsoil we received a very generous donation from Travis Perkins! The children have had a wonderful time using this. Thank you.

On Wednesday 30th June we shall be celebrating International Mud Day, by exploring the marvellous qualities of glorious mud. Get your washing machine ready!

Parent Governor Required

The role of Parent Governor is to be a member of our Governing body, working together to ensure that school runs effectively. This is a voluntary position; no background in education is required. We are seeking a parent with a keen interest in Kingswood, and a commitment to supporting the future of our school, to join the team. Training and ongoing support is provided.

If you would like further information about this vital role, please contact Sam in the office.

Old Toys?

We have had some kind offers of toy donations, however we're bursting at the seams and a Kingswood declutter is overdue! If you do have toys that you wish to pass on you can drop them at a local The Entertainer store and they will be rehomed via The Salvation Army.

This may be a helpful alternative if the charity shops are not receiving donations. More info: <https://www.thetoyshop.com/bigtoyrehoming>
