Dear Parents,

**Help please! Seeking Parents Governors**

We are currently looking to swell the numbers of our Governing Body, and I'm particularly keen to recruit parents as Governors. You do not require an educational background, and we do have vacancies to fill for individuals with a finance, business, or Human Resources background. The key requirement however, is to be passionate about making a contribution to the Kingswood School community, for a two year term of office.

Volunteering as a School Governor provides an opportunity for you to support school, ensuring the school vision is achieved and legislation is adhered to. It requires a commitment to attend two meetings per term, in the evening, and to attend training to support you to fulfil the role. Visits to the school, to view us operating, is also strongly encouraged. I speak from experience as a Parent Governor, it is a fulfilling and interesting role.

Please consider how you can support us. You are welcome to contact me for further information. If you are interested in joining, please complete the form below, ask another parent to second this, and return to me by Friday 12<sup>th</sup> November.

Best wishes,

Mrs Macdonald
