

Kingswood
NURSERY SCHOOL

Summer Activity Pass- port

Name:

Dear Parents/Carers,

We are very much looking forward to your child starting with us in the nursery class this September!

This passport of activities are ideas you might like to complete with your child over the summer holidays. They may give your child the opportunity to try something new, discover a place they have never been or even find a new interest. Ultimately, they are all about the children enjoying our world; its events, people and objects.

There is space in the passport for your child to mark off when they complete an activity and existing children may like to share any photos or videos you would like us to see on Tapestry.

Wishing you a wonderful summer...

The Kingswood Nursery School Team

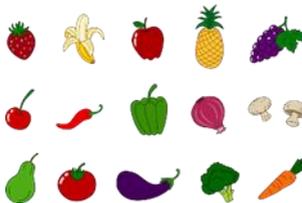

1. Have an indoor picnic or one in your garden...

<input checked="" type="checkbox"/>	Date

2. Help prepare a new fruit or vegetable to try...
