

World Book Day - NO COSTUMES REQUIRED !

On 3rd March, for World Book Day, we are planning a

BOOKSWAP

Bring in a previously loved book, in good condition.

Add it to the box and swap it for another book of your choice.

We are happy to receive fiction and non-fiction, just as long as the theme is appropriate for 2 and 3 year olds.

During that day's session, your child's Key Person will be sharing their own favourite story book with the group and taking the opportunity to promote a love of reading.

If your child is not in on 3rd March, we will keep a supply of books available throughout the following week.
